

tannstikka

«Tannstikka» is Norway's only professional magazine for dental hygienists. «Tannstikka» was established in 1975, and is distributed to members of the Norwegian Dental Hygienists' Association. The magazine contains relevant articles aimed at dental hygienists and other related professions. Vacant positions and relevant courses are also advertised in «Tannstikka». «Tannstikka» is distributed to members of the NDHA, dental hygienist students, other oral health workers, the Regional Dentist's Office, and dental clinics in Norway and abroad. «Tannstikka» is a member of The Periodic Press Union, and we publish six issues yearly.
